

IDSALL SEND INFORMATION REPORT 2017

The Idsall SEND Information Report should be read alongside the Idsall Local Offer and other school policies including SEND, Behaviour, Bullying and Single Equalities policy which will give more detailed information

Idsall School

Idsall is a co-education 11-18 comprehensive school. It is a larger than average secondary school with 1300 students.

Idsall's Support for Learning Department (SEND) supports students within the mainstream setting with a variety of different and individual needs. Principally these needs can be categorised by the Code of Practice 2014

- Communication and Interaction – Speech, Language & Communication/ASD/Dyslexia
- Cognition and Learning – SpLD (Dyslexia) and learning *significantly* below their peers
- Social, Emotional and Mental Health – Social awareness, anxiety disorder, problems of mood, ADHD
- Sensory and/or Physical – Visual/hearing impairment, physical difficulties

Our school motto reflects our belief that we want everyone in our school to reach their full potential.

As a school community we value:

- Each other, ourselves and our differences
- Kindness, honesty and respect
- Hard work and determination to be the best we can be
- Independent learning, organisation and self-reliance
- Courtesy and good manners

As a school we aim to:

- Be a school where *everybody* feels safe and happy
- Be a school where students work hard to achieve their maximum potential
- Deliver high quality teaching and learning that is valued and enjoyed
- Monitor and assess progress regularly to improve performance and produce a positive culture of high achievement and celebration
- Offer students activities and opportunities that develop a sense of self-worth, healthy wellbeing, enjoyment and belonging

Identification and Assessment of Students with SEND

Criteria for identification and assessment at Idsall:

- Information from previous school, parents/carers, students and outside professionals will be used to identify specific learning needs
- Students entering the school in Year 7 will sit CAT tests
- Students entering mid academic year – students will arrive with school data or can be assessed if need arises
- All students undergo ongoing mentoring and assessment through their class teacher and the whole school termly monitoring process. Under performance identified by Learning Managers and through Raising Achievement Team
- All students complete the PASS (Pupil Attitude to School & Self) questionnaire on an annual basis to identify issues relating to relationships and self-esteem
- The school will assess internally (and, if necessary) with the support of external agencies, when parents raise concerns regarding their child's learning and/or social wellbeing
- Staff will actively employ intervention strategies within the classroom ensuring 'quality first teaching' to aim to support the vast number of students
- School works closely/liaises as necessary with any external agencies involved with our students
- Student Progress is reviewed termly when the SEND List is updated Learning Managers and SEND Department discuss students not making adequate progress and possible reasons, including SEND
- Parents and students are encouraged to discuss any concerns with:

Expertise and training of staff to support children as young people with SEND at Idsall

Idsall recognises the importance of ongoing, up to date and relevant training for both teaching and support staff.

Training is provided both in-house, utilising and sharing our own areas of expertise and good practice within the classroom and through accessing external experts or specialist advice, support and training as necessary. Examples of training teachers and support staff have had the opportunity to engage with are:

- The new SEND Code of Practice 2014 (C. Cork)
- Autism (Woodlands Autism Outreach Service)
- ADHD (CAMHS)
- Specific Learning difficulties (Educational Psychology Service/C. Cork/LSAT)
- Dyspraxia/DCD (Occupational Therapy Service)
- Visual Impairment (Sensory Inclusion Service)
- Hearing Impairment (Sensory Inclusion Service)
- Working with EAL students (Multi Cultural Service)
- Working with Downs Syndrome students (Educational Psychology Service)
- Targeted Youth Service
- Bereavement (Hope House)
- Anger Management (School Counsellor)
- Social Stories (Haughton School)
- ASD transition (Woodlands Autism Outreach)
- Safeguarding/Child Protection (Local Authority/C.Cork)
- How teachers can work effectively with a teaching assistant (Z. Wright)
- Targeted Mental Health Programme for Schools (TAMHS)
- Differentiation in the classroom (staff)
- Attachment Disorder (Education Psychology Service)
- Diabetic Awareness – impact upon the classroom (School Nurse)

Training for all staff is ongoing and is delivered by external agencies or via in school twilight sessions

Evaluating the effectiveness of SEND provision

All student's progress and attainment is monitored through the whole school monitoring system.

In addition, 2nd in departments in Core subjects (English, Maths and Science) have specific responsibilities for monitoring SEND student progress and discussing new and appropriate interventions to meet individual needs.

Where students are identified as having SEND or requiring SEND Support the Support for Learning Department also reviews academic progress as well as having discussions during Pupil Centred Plan reviews with students and parents - focusing on the successes and areas for development.

The Corrective Reading scheme withdrawal groups delivered by the Support for Learning Department are re-tested on approximately a 7 week basis to ensure the students are making progress on the programme to improve individual reading ages.

Students can be re-tested mid-year on the PASS system (after interventions) to develop and improve identified areas of emotional and social wellbeing.

SEND students in the vast majority of cases complete full options at GCSE/BTEC - the intended outcome being that all our students achieve or maybe even exceed their 'stretch target grade'.

How children with and without SEND engage in activities together

All children with and without SEND have a wide range of opportunities they can engage in via the curriculum, through after school activities and residential visits – these activities are available to all students and if necessary reasonable adjustments to itineraries or activities can be made (in discussion with either the student directly and/or the parent) as required. We encourage all students to work together, recognising the individual strengths of each other and understanding that they need to work collaboratively to help and support each other.

Support for improving emotional and social development including children including with SEND

The Support for Learning Department work closely with the pastoral team to meet the emotional and social development of all students including those with SEND.

All students complete the PASS (Pupil Attitudes to self and school) survey which helps us to identify areas that may require development and additional support. We run self-esteem, anger management, understanding and improving friendships sessions for any student who is identified.

In addition all students can access the school CHAT Service run every Tuesday lunch-time with the nurse for a confidential conversation regarding any health/wellbeing issues but TAs can support SEND students in these sessions if the student would like them to be involved. All students can access the Student Support Manager/Learning Manager to discuss any concerns of a pastoral nature and we also employ school counsellors which students can be referred to or they can refer themselves for sessions.

The Support for Learning Centre is open and staffed during break and lunch time – some of our more vulnerable students with SEND choose to have their lunch in this area or join a TA in the main canteen – interaction between staff and students at these times is an important aspect of the Centre.

All students are made aware of key people (Tutor/Student Support/Support for Learning or ANY member of staff) to whom they can report any concerns - this includes any issues raised around bullying – a number of SEND students and all the Children in Care have identified key workers.

Involvement of external agencies to support SEND students and their families

We access a wide variety of services to support all aspects of development for SEND students.

These Services include:

- Educational Psychologist
- Learning Support Advisory Team (LSAT)
- Private Dyslexia Assessor
- ENHANCE
- Targeted Youth Service
- Sensory Inclusion Service – visually and hearing impaired students
- Behaviour Support
- Occupational Therapy Service
- Speech, Language & Communication Service
