Dear Sir/Madam

PROPOSED HIGHWAY WORKS – COPPICE GREEN LANE, SHIFNAL

Shropshire Council are planning to carry out highway improvement works at the above location between Curriers Lane and the exit from Idsall School, commencing next week.

The works will include carriageway widening and the relocation of the footway including all associated drainage, fencing, lining, street lighting and public utility diversion works. The proposals also include the provision of a new footpath across Idsall School playing fields at the boundary with Shifnal Scout & Guide Headquarters which terminates with a build-out feature on Curriers Lane.

This work is being undertaken to enable buses and other large vehicles to pass each other without needing to mount the footway, which is currently a significant safety issue for pedestrians, including a large number of school children.

Work is scheduled to start on Monday 24th July 2017 and in order to ensure that the works are carried out as safely as possible, a **road closure** will be necessary between Curriers Lane and Idsall School exit for the duration of the works. A signed diversion route will be in place to facilitate this, via the B4379 Newport Road and Nanny Murphy's Lane. Pedestrian access will be maintained through the works site at all times.

The works will likely extend beyond the school holiday period and into the autumn school term, potentially into October. Idsall School has been fully consulted and are supportive of these proposals. Updates on progress of the scheme will be available on the Shropshire Council Website.

The works will be carried out by Ringway and supervised by WSP on behalf of Shropshire Council.

We will endeavour to keep disruption to a minimum and apologise in advance for the inconvenience this may cause.

Yours faithfully

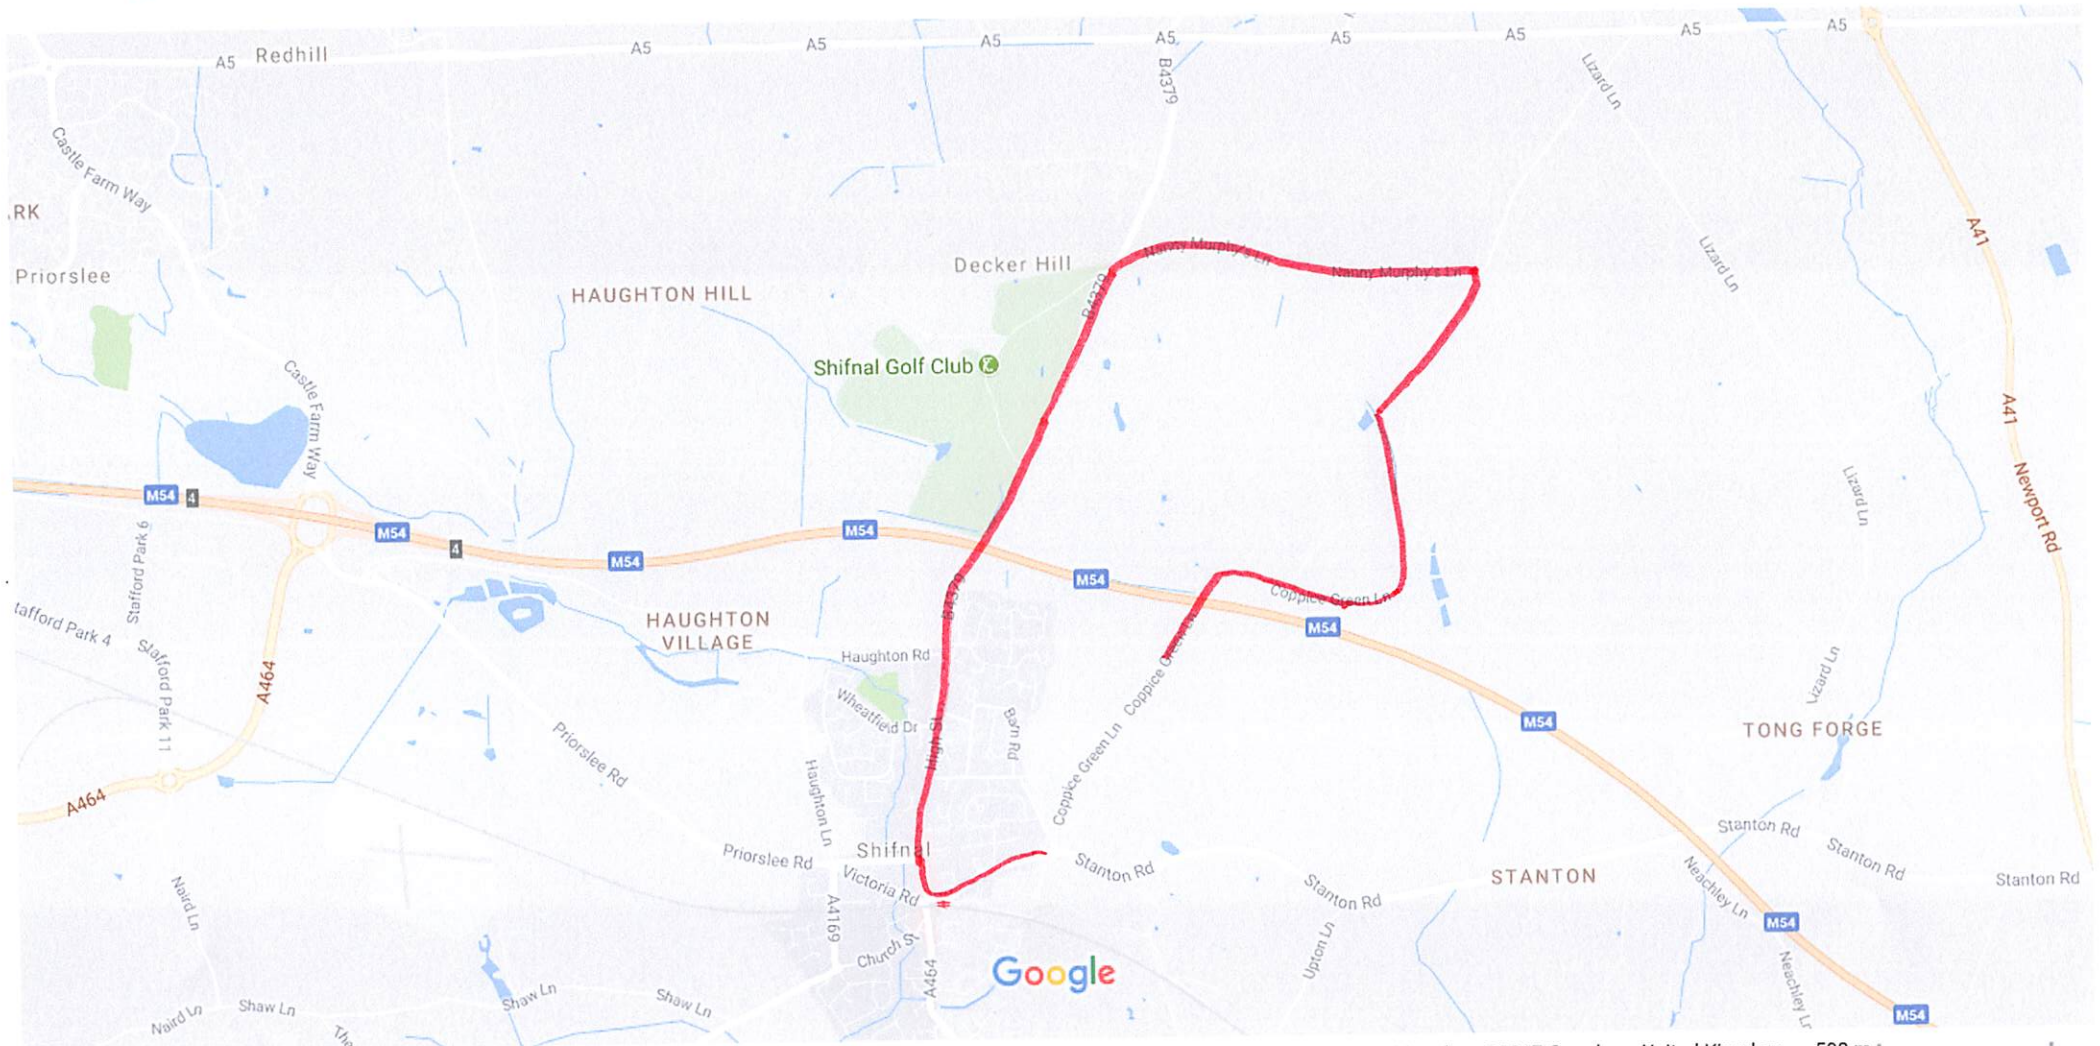

Alice Dilly
Principal Engineer
