We are in a unique position to be able to nurture & educate through the food we serve

Forming healthy eating habits is a valuable part of your child's education

90% of the food we serve is freshly prepared on site daily & is in line with British Government school guidelines giving your children the fuel to succeed

INSIGHT & INNOVATION

The food that we serve is shaped to reflect the latest world trends & create our own version of high street brands as well as serving the ever popular traditional menu

We have a full calendar of events including seasonal campaigns & theme days

A PARTNERSHIP

Most importantly we are here to be a part of Idsall school community , if your child has any specific dietary requirements, we are more than happy to answer any questions .

Above all, we are here to ensure that the food we serve is tasty, the pupils are happy and that we make dining at Idsall enjoyable !
